For Information and Prayer

John Roberts is preaching morning and evening today at Sanderstead. This week he has speaking commitments as follows:

Monday	Bromley Baptist Church
Wednesday	Redhill Baptist Church
Thursday	Horsham Baptist Church

Peter Seccombe is in the process of preparing material for the conferences he is to lead in Zambia with Pastor Training International in April. This is demanding and time-consuming work. Please support him in prayer.

Amy Gregg has obtained a teaching post in Abergavenny. We are thankful to the Lord for this very real answer to prayer. She writes:

“My new job is to begin on 12th April, God willing, but I shall spend Friday 26th March there for the handover as well as another day yet to be confirmed prior to the 14th March. I would like to thank the chapel congregation for their prayers for the Lord has been merciful in opening up this temporary post (maternity cover) which involves GCSE, AS and A2 teaching. I would value prayers for energy and strength (early starts and a commute) and excellent relationships with both staff and students. I would also value prayer for a permanent post at a College to open up in the region of the Lord’s choosing and where I may be used for His glory – working with the College Christian Union etc as I used to do.

“I will be helping with Birmingham City Mission open air work again on 20th March. Prayer requests for that work are: unity on the team (as it varies from week to week owing to different teams/volunteers being involved), divine appointments, courage and protection from the evil one as he actively attacks those who seek to proclaim the gospel message.”

Johnny and Joan Weeks have seen a bungalow in Bodenham which might be very suitable for them. They write:

“With regard to the bungalow we are delighted to let you know that our offer for it was accepted and matters are proceeding. This of course is subject to survey and contract. The LORD has been very good to us and we give him all the praise.

“We would like to thank those who have been praying for us but would ask them to continue to pray for a smooth completion.”

Alice Styles is recovering well from her recent chest infection.

Bible study on Tuesday. Owing to security at the site it would be helpful to share transport to keep the number of cars to a minimum. Please speak with Keith or Rhiannon if you would like either a lift or directions. *For those taking cars Ian and Clara need to be notified today or tomorrow of the registration number, make and colour* (their phone number is 01432 769318). We hope as many as possible will be able to come. It will undoubtedly be beneficial for those able to find time to look through the questions and references in advance of the meeting.

Advance notice – Chapel Work Day, Saturday 20th March, 10.00 am to 3.00 pm. This is a “There’s something for everyone” occasion! For a really useful day out in good company do come and bring a packed lunch. Even if you are available for only part of the time, don’t stay away for that reason! Next week we will indicate what items people can bring to make the day run smoothly.
